## 6th GRADE UPDATES

**Social Studies:** This week we studied for exams. The exam will be next Tuesday, June 7.

**Science:** After finishing up our last new material on the solar system on Tuesday, we began working on our Study Guide this week. The class had time to fill it out on their own, looking back through their book, notes, and old tests. We have also gone through it as a class and a filled-out version will be posted on Canvas today.

**ELA:** This week we worked on study guides and reviewed for the final exam. Next week, we will review on Monday for a final time.

**Math 6S:** This week students reviewed for exams. The math exam will be Thursday, June 9.

**Math 6B:** This week students reviewed for exams. The math exam will be Thursday, June 9.

**Theology:** We started the week by discussing the importance of the Prophets that God chose throughout history to help guide and teach the people of the Church. We then began to go through our exam study guide, which covers material from Moses all the way through the life of King Solomon. The completed study guide has been posted on Canvas and we will finish reviewing on Monday.

## 6<sup>th</sup> and 7<sup>th</sup> Grade Exams

Exams for 6<sup>th</sup> and 7<sup>th</sup> graders will be June 7-9, from 8-11:30am. Students will be dismissed from school at 11:30am on those days.

Tuesday, June 7 – Social Studies/Theology

Wednesday, June 8 – Science and ELA

Thursday, June 9 – Math

Friday, June 10 – Last day of school (half day/dismissal at 11am)

## 7th GRADE UPDATES

**Social Studies:** This week we studied for exams. The exam will be Tuesday, June 7.

**Science:** After finishing up with electromagnetism on Tuesday, we began working on our Study Guide this week. The class had time to fill it out on their own, looking back through their book, notes, and old tests. We have also gone through it as a class and a filled out version will be posted on Canvas today.

**ELA:** This week we worked on study guides and reviewed for the final exam. Next week, we will review on Monday for a final time.

**Math 7:** This week students reviewed for exams. The math exam will be Thursday, June 9.

**Theology:** We started the week by examining the ways that Jesus showed the importance of prayer through Scripture. We then began to go through our exam study guide, which covers material about the seven sacraments as well as prayer. The completed study guide has been posted on Canvas and we will finish reviewing on Monday.

## 8th GRADE UPDATES

**Social Studies:** The students took their exam this week. It's already weird without them around. Thank you for letting me be a part of their lives for the last few years.

**Science:** The class took their final exam in science this week. I have so enjoyed watching so many of them grow up as they moved from nervous sixth grade babies to the confident and prepared teenagers they are now. I can't wait to hear about the amazing things these lovely humans will undoubtedly do in the future!

**ELA:** This week students took their exams. I have enjoyed teaching them this year and am very proud of them. I will miss them next year! Thank you for sharing your son/daughter with me.

**Math 8G1:** This week students took exams.

**Math 8G2:** This week students took exams.

**Theology:** We took our final exam this week.
